

LINDSAY & HER PUPPET PALS

Wholesome... Heartfelt... Hilarious!

Since 2011, Lindsay has entertained child and family audiences across New England with her hand crafted puppets and stories. This fast paced, interactive variety show is all laughter and fun! With warmth and a light touch, Lindsay and the puppets model resiliency, kindness, bravery, compromise, dealing with common childhood anxieties and more. Along the way, kids will be inspired in their own creative play!

Kids will meet several characters in 3-10 min bits. Come see who's making an appearance this time...perhaps a goofy moose, a singing dino, a stubborn goat, or a dancing robot!
Ideal for ages 3-8.
